

AMPLIFIES COUNCIL TALK . . . City Manager George W. Stevens shows his secretary Ladoene Hamman the control panel of a public address system which soon will be placed in operation in the Torrance City Council Chambers. (Herald photo).

Lack of Mikes Delaying Use of New P.A. System

Lack of small television-type microphones is delaying the use of a new loud speaker system for the Torrance City Council chambers, City Manager George Stevens reported this week.

The \$1,575.50 installation which includes two speakers and a control panel located beneath the council table, is virtually complete except for the microphones.

When in operation, six mi-

crophones will be used to amplify council doings. A microphone will be located at the city manager-city attorney's table, one on the city clerk's desk, three on the council table and one on a stand for use by members of the audience.

The Longevin Company of Hollywood was low bidder for the job.

Canteen Looted

Several boxes of candy, gum, and tobacco were stolen by a thief who broke into the American Legion Canteen at the Torrance City Park, John Fess told Torrance Police November 20.

Missing were: Six cartons of cigarettes; five boxes of candy; four boxes of gum; three pounds of wieners, and one half box of cigars.
